Pastdue Credit Solutions: United Utilities Complaints Procedure

We are committed to treating our customers fairly and constantly strive to offer you the highest possible level of service. However, there may be occasions when you feel you have cause for complaint. When this happens, please contact us and let us know. We will ensure that we fully investigate your complaint and do everything we can to put things right for you. We will keep you up to date as matters progress. You are free to contact us at any time if you have any questions.

What we do

- We aim to resolve all of your concerns within three working days following receipt. However, if we are unable to do so, we will acknowledge your complaint in writing within three business days of receipt of the complaint. If the complaint has been remedied within this time frame, a final response will also be included.
- If after 10 working days, we still cannot respond, we'll write to you explaining why and indicating when we expect to provide a full and final response. We'll also include details of the Financial Ombudsman Service, who you can refer your complaint to if you wish. We'll usually enclose a copy of its explanatory leaflet.
- If you're still unhappy with our response to your complaint, please explain why and we'll look into the matter further for you.
- You may also be entitled to contact the Financial Ombudsman Service if you are unhappy with our response to your complaint. It is an independent organisation that aims to resolve complaints between consumers and financial organisations. You will need to do this within 6 months of our response to your complaint. We'll usually give you a leaflet on how to do this when we respond to your complaint.
